

Players Club of Hilton Head Island

April 2019

MESSAGE FROM YOUR BOARD

With the summer season approaching, the Resort staff has been busy completing maintenance and repairs. Some of the recent completed projects are:

- Four new air conditioning units
- Roof and gutter repair to the 300 Building
- Installation of new toilets
- New smoke detectors
- Replacement of exterior lights
- An additional section of bulkhead has been installed in the lagoon to prevent erosion

The toilets were 20 years old and in need of updating and the smoke detectors were nearing the end of their 10-year life. Exterior lights were upgraded to LED for longer life and less KWH usage.

We hope that you will take advantage of your week(s) and visit the Resort this year. While at the resort, please join the staff at the weekly hosted “Meet and Greet” get-together which always proves to be popular and allows guests to share their island experiences and favorite restaurants and activities.

The Board always welcomes communications from Players Club owners. Any comments, concerns or suggestions are appreciated and discussed with the entire Board and management team to find ways to improve Players Club for everyone. Please feel free to contact your Board or management via e-mail.
